Living Well with Dementia Network

In Jefferson County

Join us in creating a community that understands, supports and values people who are living with Alzheimer's and other forms of dementia. We are a network of individuals and organizations who are working together with people who have dementia to insure that their families, employers, caregivers, care providers and communities support them in living a full and meaningful life.

Want to learn more?

The Living Well with Dementia Network will meet regularly at the ***Dwight Foster Library***, the fourth Monday of each month at 5:00 pm.

Next Meetings

August 22nd, September 26th, October 24th

5:00 pm – 6:30 pm

Dwight Foster Library

209 Merchants Ave, Fort Atkinson, WI
