College & Career Ready
Successful Life Outcomes for Students with Emotional Behavioral Disabilities

Friday, May 23rd, 2014
9:00am – 3:00pm
CESA 2
Whitewater, WI

This training will focus on strategies to connect students with Emotional Behavioral Disabilities to supports in their communities and will promote success in their postsecondary choices.

Attendees will take away:

- Framework for success based on proven research and data.
- "How to" strategies for identifying, building and maintaining community supports
- Approaches for individualizing academic programs to create a foundation for postsecondary success
- Strategies to increase stability in postsecondary placement
