

Rock River

Watertown to Jefferson

Segment 1

Landing Type

-  Canoe
-  Boat Access

PUT IN or TAKE OUT

-  DAMS
-  Stream Mile Markers

Stream Mile Markers

Put in at Riverwalk and S. First St. Park Watertown on left bank, there can be fast current in this stretch below the dam and around bridges. It is just over 3 miles to the next available access point on the left bank at the DNR improved Cappies Landing.

From Cappies, the next available public take out is just over 10 miles at the end of Resort Dr in the Village of Johnson Creek.
