ABC'S OF MEDICARE WORKSHOP

Thursday, June 16th, 2016 from 1:30 pm - 3:30 pm

At the Aging and Disability Resource Center of Jefferson County

1541 Annex Road Jefferson WI 53549

Original Medicare began in 1965 and was pretty straightforward and easy to understand. Part A paid for hospital, Part B paid for doctors' appointments.... And beneficiaries picked up a Medicare Supplement Insurance policy to fill any gaps. It's Simple.

However, the implementation of Medicare Part D and tremendous influx of Medicare Advantage (Part C) plans have added so many choices for Medicare beneficiaries. It's quite confusing to try to sort through the alphabet soup.

In an effort to meet the increased demand for Medicare counseling and all its complexities, the Elder Benefit Specialist (EBS) program now offers "ABCs of Medicare" workshops throughout the year for Jefferson County residents who will be newly eligible for Medicare.

This workshop is ideal for people who will be turning 65 in the upcoming months and will be *newly eligible for Medicare*.... However, it can also be helpful to ANY Medicare beneficiary who has questions or concerns regarding complicated Medicare options and benefits.

This casual workshop is limited to 8-10 participants. It is a complete and comprehensive overview, and participants do have an opportunity to ask questions throughout the class. Every effort is made to provide all with a better understanding of how Medicare "works" and how to objectively compare their insurance for health and drug coverage.

Space is limited, so please call the ADRC of Jefferson County at 920-674-8734 to register for the free "ABCs of Medicare".

Remember.... Medicare isn't for chickens.... Come to the ABC workshop and stay out of hot water!
