

NOTICE OF PARTISAN PRIMARY AND SAMPLE BALLOTS AUGUST 09, 2016

OFFICE OF THE JEFFERSON COUNTY CLERK
TO THE ELECTORS OF JEFFERSON COUNTY:

Notice is hereby given of a partisan primary to be held in Jefferson County on the 9th Day of August, at which the nominees for the offices named below shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office under the appropriate party or other designation, each in its proper column, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot, except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the partisan primary the elector shall select the party of his or her choice. Voting for candidates of more than one party may invalidate the ballot. You must cast a vote for individual candidates.

Where Optical Scan Voting Systems are used

- If a party preference *is designated*, and votes are cast for ballot candidates of another party or write-in votes are cast in another party, only votes cast in the designated party will count.
- If a party preference *is not designated*, and votes are cast for candidates (or write-in votes are cast) in more than one party, no votes will be counted

The elector shall then fill in the oval next to the name of the candidate of his or her choice for each office for which he or she intends to vote under the party of his or her choice. To

vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval on the write-in line

When using an **electronic ballot marking device (“Automark”)** to mark an optical scan ballot, the elector shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote.

After Voting the Ballot

After an official **optical scan ballot** is marked, it shall be inserted in the security sleeve so the marks do not show. The elector shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a sample of the official ballots:
