

NOTICE OF SPRING PRIMARY AND REFERENDUM February 16, 2016

OFFICE OF THE JEFFERSON COUNTY CLERK
TO THE VOTERS OF JEFFERSON COUNTY:

Notice is hereby given of a spring primary election to be held in County of Jefferson, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where Optical Scan Voting is Used

The voter shall fill in the oval next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval next to "no" if opposed to the question.

When using an *electronic ballot marking device* ("Automark") to mark an **optical scan** ballot, the voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the

space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

If the voter spoils an **optical scan ballot**, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

After Voting the Ballot

After an official **optical scan** ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

The following is a sample of the official ballot:

Barbara A. Frank,
Jefferson County Clerk
311 S. Center Ave, Rm 109
Jefferson WI 53549

EXPLANATORY STATEMENT AND EFFECT OF VOTE

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is in favor of said Resolution and is a vote to authorize the School District of Jefferson budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by up to \$775,000 per year for a period of three years on a non-recurring basis beginning with the 2016-2017 school year, and ending with the 2018-2019 school year, for the purpose of maintaining the current level of educational programs and staff.

A "no" vote on the question is opposed to said Resolution and is a vote to deny the School District of Jefferson budget the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by up to \$775,000 per year for a period of three years on a non-recurring basis beginning with the 2016-2017 school year, and ending with the 2018-2019 school year, for the purpose of maintaining the current level of educational programs and staff.

In the event a majority of the electors voting vote "yes" on the question, the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by up to \$775,000 per year for a period of three years on a non-recurring basis beginning with the 2016-2017 school year, and ending with the 2018-2019 school year, for the purpose of maintaining the current level of educational programs and staff; if a majority vote "no" on the question set forth above, the District will not be so authorized.

Persons with questions regarding the referendum election should contact Craig S. Gerlach, District Administrator.

TOP THINGS VOTERS NEED TO KNOW ABOUT PHOTO ID

1. Most people already have the photo ID they need to vote.

You can use any of these five IDs, even if they expired after November 4, 2014:

A Wisconsin DOT-issued driver license, even if driving privileges are revoked or suspended

A Wisconsin DOT-issued identification card

A Wisconsin DOT-issued identification card or driver license without a photo issued under the religious exemption

Military ID card issued by a U.S. uniformed service

A U.S. passport book or card

You can use any of these IDs, but they must be unexpired:

A certificate of naturalization that was issued not earlier than two years before the date of an election at which it is presented

A driving receipt issued by Wisconsin DOT (valid for 45 days)

An identification card receipt issued by Wisconsin DOT (valid for 45 days)

An identification card issued by a federally recognized Indian tribe in Wisconsin

A photo identification card issued by an accredited university, college or technical college in Wisconsin that contains the signature of student, the date the card was issued, and an expiration date no later than two years after date of issuance. Also, the university, college or technical college ID must be accompanied by a separate document that proves current enrollment such as an enrollment verification letter, class schedule, or tuition fee receipt.

A citation or notice of intent to revoke or suspend a Wisconsin DOT-issued driver license that is dated within 60 days of the date of the election.

2. If you don't have one of these IDs, you can get a free state ID card to vote even if you don't have your birth certificate.

In 2014, the Wisconsin Division of Motor Vehicles started a new program to help people who don't have copies of their birth certificates to get a state ID card. Just bring the documents you have to your local DMV office. They can track down your birth records in Wisconsin or another state, but it may take some time so don't wait until the last minute.

3. Your photo ID doesn't need to have your current address.

Some people think they need to get a new driver license or state ID card to vote if it has an old address, but that's not correct. The Wisconsin Division of Motor Vehicles doesn't require drivers to get a new license every time they move, and neither does state elections law. The photo ID law requires registered voters to prove their identity before getting a ballot. Anyone registered to vote has already proved Wisconsin residency.

4. There are significant exceptions to the law for those who have difficulty getting to the polls.

Unlike regular absentee voters, permanent absentee voters who have difficulty getting to the polls due to age, illness, infirmity or disability are not required to provide a copy of their photo ID to get a ballot. The person who witnesses and signs the absentee ballot envelope verifies the voter's identity.

The same is true for active-duty military who vote absentee – they do not need to provide a copy of their photo ID to get a ballot.

5. Be ready to "State it, show it and sign it" at the polling place.

To save time at the polling place, voters should have their photo IDs ready to show election workers, but that's not the only thing you have to do to receive a ballot. Wisconsin law requires voters to state their name and address so the election workers and observers can hear it. After the election worker finds your name in the poll book and checks your ID, you will be asked to sign the poll book next to your name. Just remember: State it. Show it. Sign it.

6. If you forget your photo ID on Election Day, you can get a provisional ballot.

Don't worry if you get to the polls on Election Day, look for your ID and find you forgot to bring it. Just ask the election worker for a provisional ballot. You can return to the polling place before it closes at 8 p.m. with your ID, or bring your ID to your municipal clerk's office by 4 p.m. the Friday after the election in order for your ballot to be counted.
