

# High Fives!

For those who go the extra mile!

The Jefferson County Parks Department would like to extend a High Five to the Jefferson County Highway Department for completing the bike trail connection from the City of Jefferson to the Glacial River Trail through the county highway grounds on Wisconsin Drive and County Road W. Job well done!

I would like to give a great big shout out to Jeff Larkin, Environmental Health Specialist for the Jefferson County Environmental Public Health Consortium (a partnership with Jefferson County and the City of Watertown Health Department), for passing the test and becoming a REGISTERED SANITARIAN!!! This is a very difficult test; less than half of the people (about 35%) who take the RS Exam pass it on the first attempt. Congratulations Jeff! Those who need assistance with Environmental Health issues can contact Jeff Larkin, RS or Ted Tuchalski, RS at the City of Watertown Health Department at 920-262-8094. *Gail Scott*
