

## Hello Jefferson County Trail Builders!

Please join us for these fall trail building work days on the Glacial River Mountain Bike Trails in Jefferson.

We will be starting work on the Blue Line which will end up being roughly a mile in length with lots of twists, turns and built features. Come out on the following work days, bring a friend, bring your kids, bring as many people as you can and we'll get the second section of the trails done in no time. We will be meeting at the white garage for each trail building date.

1. Saturday October 1, 8:00 - 12:00
2. Wednesday October 5, 2:00 - Dark
3. Saturday October 8, 8:00 - 12:00
4. Wednesday October 12, 2:00 - Dark
5. Saturday October 15, 8:00 - 12:00
6. Wednesday October 19, 2:00 - Dark
7. Saturday October 22, 8:00 - 12:00
8. Wednesday October 26, 2:00 - Dark
9. Saturday October 29, 8:00-12:00

We are in the process of soliciting all the local lumber companies for treated lumber cut-offs and warped boards for the project. I'm hoping to build some "features" on the trails and pair these with ride-a-rounds to add difficulty but keep the entire trail ride-able for beginners. We're starting to get some of the materials together but will need some capital donations to get all the screws, fasteners and wood. Everything helps. Follow us on Facebook at "Jefferson County Trail Builders" for project updates and changes to work dates and times. Hope to see you on the trails soon.
