

Congratulations Mike!

Can you remember what were you doing 40 years ago, on October 14, 1974 to be exact?

Mary "Mike" Seisser began her career with Jefferson County and now she is lucky enough to retire!

Please stop in the Register of Deeds office on June 1st to wish her well in her new endeavors.

For many of us, her career has been a model to follow. I can't count the times people have come to her to ask for advice. She truly has made the Register of Deeds the success it is today, and I think I can speak for all of us when I say we are sad to see you leave.

May you retire knowing that you have made a remarkable contribution and have touched the lives of your colleagues in immeasurable ways! You have seen so much change during your 40 years with the county, and have been part of it all. We will all be sad to see you go, and know that we envy your new life in the lap of leisure. 😊

We would like to personally congratulate you on your retirement from Jefferson County. We have enjoyed working with you during your time here, and consider you not only a valuable asset to our county, but an enjoyable presence in the office, as well.

Thank you for your dedicated service to Jefferson County, we wish you a long, healthy, and happy retirement!

Staci, Mary Beth, and Julie
