

THIS YEAR WE ARE SELLING T-SHIRTS FOR TWO GREAT CAUSES!

Zero Suicide is a commitment to suicide prevention in health and behavioral health care systems and is also a specific set of strategies and tools. **All proceeds** will go towards education and awareness within the county about suicide.

National Recovery Month is a *national* observance that educates Americans on the fact that addiction treatment and mental health services can enable those with a mental and/or substance use disorder to live a healthy and rewarding life. **All proceeds** will be used to support consumers in their recovery. This may include but is not limited to expenses related to employment, education, and treatment.
