

John Molinaro and his wife, Ann, stopped by Tuesday, October 20th at the invitation of the Veterans Service Officer. A memorial stone was presented by the Veterans Service Office in honor of John's leadership in organizing the brick walkway project that so beautifully highlights our Veteran's Memorial. John and Ann were all smiles and related that they had just bought a condo in Arizona -- and are looking forward to a warm winter! John commented that although he misses the people here -- he is enjoying the luxury of freedom and a lot less stress!
