

# High Fives!

For those who go the extra mile!

Staci Hoffman recently completed the requirements for the **Certified Public Manager (CPM)** program at the University of Wisconsin-Madison. The CPM program prepares managers in Federal, State, local governments, Tribal, and Non-Profit organizations for the challenges and unique demands of the public management profession.

Over the past two years Staci took on the extra workload involved in the program while continuing in her full time position and serving on several committees:

WRDA Legislative Committee

Current President of the WRDA (WI Register of Deeds Association)

Electronic Recording Committee

LEAN Committee

Optimist Club

And, on top of all that, she recuperated from a serious illness! Staci really is WONDER WOMAN!

Congratulations Staci! Your ambition, dedication, and determination to make improvements in your profession and personal life are truly admirable and inspiring. Thank you for being an excellent role model.

It really is a pleasure to work for and with you.

Julie, Mary Beth, & Kaela

PS. Her graduation is Friday, December 4<sup>th</sup> at the Capital!
