

Dust off those camping supplies!

Did you know that Jefferson County's Dorothy Carnes Park provides two primitive walk-in camping opportunities at the park's east entrance off Jones Lane? The two primitive camping sites are open for walk-in camping only. The park offers visitors 513 acres on which to explore a multitude of habitats ranging from tall grass prairies to hard wood forests. Rose Lake, located adjacent to the park, is home to one of the most diverse bird populations in Wisconsin. The park offers more than 10 miles of trails provide for recreational opportunities for users of all abilities.

Each of the two campsites contains the following amenities:

1. One picnic table
2. Primitive seating
3. Fire ring with grill
4. Food hang
5. Vault toilet
6. Level area for tent placement
