

JEFFERSON COUNTY WISCONSIN

WHEN WILL I GET THE VACCINE?

GROUP 1A

- Paid and unpaid healthcare personnel
- Residents in long-term care facilities

GROUP 1B

- EMS, firefighters, police and first responders
- People with underlying conditions that puts them at a significantly higher risk of severe infection

GROUP 2

- K-12 teachers and staff
- Child care workers
- Critical workers in high risk settings such as food supply and public transit
- People with underlying conditions that put them at moderately higher risk of severe infection
- People living or working in homeless shelters, group homes, prisons, jails, and detention centers
- Older adults who did not have access to the vaccine Group 1

GROUP 3

- Young adults and children
- People working in critical industries with a higher risk of exposure, such as colleges and universities, hotels, banks, exercise facilities, and factories

GROUP 4

- Everyone else who did not previously have access to the vaccine

PROTECT YOURSELF.
Get the COVID-19 vaccine.

Even with the global effort to develop and produce enough COVID-19 vaccine, the initial supply is limited. Please check back often to see what phase we are in for Jefferson County
